BRINGING MUSIC TO THE MOVIES

is Music Motions, a new company which produces and distributes rock videos which are created specifically for showing in movie theatres. First effort is "It Happens Everyday" by Carly Simon, and it premiered along with "Star Trek III: The Search for Spock" in Alabama a few weeks back. Most notable about the stylish clip--how good it looks and sounds in a theatre environment. Clips are rented to theatres to recoup productions costs. For more information, contact Victoria Wood, Music Motions, 305 E. 93rd St., New York NY 10028. 212/289-0675.
